Summary

Passionate about software engineering and dedicated to honing my skills in front-end and back-end development, I am Shaurya Srivastava, a recent graduate from the Indian Institute of Information Technology Sonapat. With a Bachelor's degree in Computer Science Engineering and proficiency in languages like C++, HTML, CSS, JavaScript, as well as frameworks such as Node.js and Express.js, I am eager to contribute my expertise to innovative projects.

While my academic background has provided me with a solid foundation, I have actively pursued personal projects and participated in coding competitions to further enhance my skills and expand my problem-solving abilities. I am a quick learner, always seeking new challenges and opportunities to grow.

My true passion lies in the world of software development, where I find immense joy in turning ideas into functional and user-friendly applications. I am particularly drawn to front-end development, where I can apply my creativity to design intuitive and visually appealing interfaces. Simultaneously, I also possess a keen interest in back-end development, leveraging my knowledge of frameworks and technologies to build robust and scalable solutions.

I am excited about the prospect of working with industry-leading companies and contributing to cutting-edge projects. My goal is to collaborate with like-minded professionals, learn from their experiences, and make a meaningful impact in the field of software engineering.

If you are seeking a motivated and adaptable individual who is passionate about software development, I would love to connect and explore potential opportunities.

Education

Indian Institute of Information Technology(IIIT), Sonapat

Bachelor of Technology - BTech, Computer Science

2021 - 2025

Delhi Public School Ghaziabad

Mar 2017 - Mar 2020

Licenses & Certifications

Certificate of Excellence in C++ - Coding Ninjas

Certificate of Completion in C++ - Coding Ninjas

Certificate of Completion in Front End Development - CSS - Great Learning

Certificate Of Completion in Javascript - Great Learning

AWS Academy Graduate - AWS Academy Cloud Foundations - Amazon Web Services (AWS)

Certificate Of Completion in Linux - Cisco Networking Academy

Skills

Linux • Amazon Web Services (AWS) • JavaScript • Cascading Style Sheets (CSS) • HTML5 • French • C++

Honors & Awards

Diploma in INTRODUCTION TO RPA AND AUTOMATION - UI PATH

Jan 2022

Certificate in diploma in INTRODUCTION TO RPA AND AUTOMATION

COMPLETION OF CSS COURSE - GREAT LEARNING

May 2022

COMPLETED THE INTRODUCTORY COURSE OF CSS FROM GREAT LEARNING

Certificate Of Excellence in Introduction to C++ - Coding Ninjas

Dec 2022

Certificate Of Excellence in Introduction to C++ by Coding Ninjas

Certificate Of Completion in Linux - Cisco Networking Academy

Jul 2023

Certificate Of Completion in Linux
